

Texas Online Preparatory School

Enrollment Snapshot

September Highlights

We celebrated Hispanic Heritage Month with field trips all around the state.

Our Hispanic Heritage Month celebration extended into our virtual schoolyard.

October Priorities

- Effectively and compassionately communicate the elementary school closure and ensure the smooth transfer for all students.
- Respond effectively to student engagement data in order to re-engage students who are falling behind.
- Continue deepening implementation of the Professional Learning Community at Work (PLC) process. Use student-by-student data to make informed intervention decisions.
- Provide effective professional development and coaching for administrators and teacher leaders on implementing an effective instructional management cycle.
- Provide effective professional development and coaching for teachers on Research-Based Instruction Strategies (RBIS) and how to implement both asynchronously and live.
