RE: E-Rate Year 2026 Request to approve RFP #260004945

I have submitted a 470 to request bids for Internet equipment through the E-Rate program.

Bids were opened and tabulated on January 5, 2026, and results and contracts will be presented during the Board meeting on January 13, 2026.

The E-Rate Year 2026 Application funds for Firewall, Fiber, Wifi Access Points and core router at a discount of 80%.

E-Rate requires the Board's approval and confirmation that 20% matching funds will be available for the requests.

Contracts are subject to Board approval and will be null and void in the event that Eagle Pass ISD is not funded and/or is not Board approved.

Board recommendation evaluation criteria are attached for your review.

If you have any questions feel free to contact me.
