Character Education Outstanding Student of the Month

The Keller ISD Community of Character program is structured to identify one character trait per month and integrate the character traits into curriculum through activities in individual classrooms to school-wide events.

The Keller ISD Community of Character Student of the Month is Katie Adams, a seventh-grader from Hillwood Middle School. The character trait for March was Trustworthiness. Teacher David Birt nominated her for the award.

Katie is a very open and honest person who aims high to achieve her best! Whether academically or athletically, Katie's intrinsic motivation and enthusiasm for doing her best serves as an inspiration for other students as well as teachers.
