Re: MTI Distributing Contract for Service

MTI Distributing has been a reliable vendor supporting the maintenance and operational needs of the Rock Island/Milan School District #41, particularly in relation to groundskeeping and turf equipment. As part of ongoing efforts to maintain the district's outdoor facilities and athletic fields, it is essential to secure timely access to manufacturer-approved parts, equipment, and technical services. The proposed contract for service with MTI Distributing will allow the Operations Department to procure necessary parts and equipment, as well as access service and repairs as needed throughout the fiscal year.

It is recommended that the Board of Education approve a contract for service with MTI Distributing, located at 3841 SE Capitol Circle, Grimes, Ia 50111, not to exceed \$35,000, for FY2026.

Investment Period: July 1, 2025 - June 30, 2026

Total Investment: Not to exceed \$35,000

Funding Source: District Funds/Maintenance and Operations Department
