**Agenda Item #9. B.**

**TOPIC: School Board Equity Goal Update**

**BACKGROUND:** The board has a goal to: learn more about equity and develop an equity plan in the district. In addition, much work has been done in the various sites. On the World's Best Workforce page on the district web site it is clear that equity is a major focus and this is how we view our work: "Through the lens of Equity, Growth Mindset, and Future Ready Skills." To that end, the first goal is to "ENGAGE students, staff, and community to provide an equitable learning environment to ensure all students are college and career ready."

Equity has been a major theme in the work being done.

**LEARNING OBJECTIVE:** As a result of this presentation, the Board will have an understanding of the current initiatives underway, program development, and plan for implementation.

**ACTION RECOMMENDED:** Discussion Only.
