

Curriculum, Instruction and Assessment July, 2025

Professional Learning

- The district leadership team participated in a leadership collaboration on July 14. The focus was on TEA accountability, district and campus goal reflection and setting, leadership development and team building and collaboration
- Administrators, Counselors, and Special Education staff attended legal training on July 15 for updates in special education. Administrators and Counselors returned on July 16 for a second day of legal training regarding non special education topics.
- Professional Learning plans are underway for August, 2025. Induction will occur on July 24 and staff returns July 29.
- We will host the HISD “Future Forward” Conference on August 7. Teachers have registered for sessions of their choice led by other district teachers and staff as well as outside presenters.
- **Assessments & Accountability Reporting Timeline:**
Parents have access to see their child(ren)’s TELPAS and STAAR scores in Skyward with a link to the TEA Family Assessment Portal.

A judge ruled Wednesday, July 9th that the Texas Education Agency can release the 2024 A-F Accountability Ratings. While this information has just been released, additional details will be provided at a later time. No date has been shared when the 2024 Accountability will be shared publicly.

2025 A-F Accountability is proposed to be shared in August.
