**Texas Property Tax Code 6.03(c)** *A governing body may cast all its votes for one candidate or distribute them among candidates for any number of directorships.*

**Texas Property Tax Code 6.03(d)** *The voting entitlement of a taxing unit that is entitled to vote for directors is determined by dividing the total dollar amount of property taxes imposed in the district by the taxing unit for the preceding tax year by the sum of the total dollar amount of property taxes imposed in the district for that year by each taxing unit that is entitled to vote, by multiplying the quotient by 1,000, and by rounding the product to the nearest whole number. That number is multiplied by the number of directorships to be filled.*
