## News from Mr. Regal

Welcome back from Thanksgiving Break,

Hopefully everyone had time over the break to spend with family and friends. We have just concluded our 1st quarter of school and had our first round of parent/teacher conferences on November 18th and 19th. We sent progress reports home with students on November 30th for parents who were not available for conferences, so please check their backpacks. If you were unable to come to conferences, please feel free to contact your child's teacher to discuss their progress in school.

The teachers and assistants have been working night and day to provide your child with quality instruction in the classroom based on their individual needs. This year with 120 minutes of instruction designated to reading and 90 minutes of math at each grade level daily, students have been making great academic gains based on the quality of instruction that our staff is providing all students. The reading time is broken up into 60 minutes of whole group, 30 minutes of small group, and 30 more minutes of intervention/enrichment for targeted instruction of individuals. The math time is broken up into 60 minutes of whole group and 30 minutes for intervention/enrichment. This has provided time for students to work on their own skill needs, while not missing any "CORE" instruction at their grade level.

The staff and students are working relentlessly every day to show growth in their academic achievement levels in reading and math. Please continue to support your child academically at home by reading with your children and practicing math facts (addition/subtraction/multiplication/division) nightly.

Evergreen Elementary is a great school because of all of the support we give our students....Keep up the incredible work!

## Regal's RED HOT Topics

**PTO:** The PTO Read-A-Thon was a great success!! Thanks to your generous donations we made \$1,968.71 on this fundraiser. Remarkable work Mrs. Bethke's class! They brought in the most money for the Read-A-Thon with a combined class total of \$285.00.

This years PTO Book Fair was our most successful EVER!! Evergreen's Library was able to earn \$2,609.00 in new books based off the sales at the book fair. HUGE THANKS to our PTO Book Fair coordinator Carla Korrell for all of her time and hard work running and organizing the book fair for us!

## Families~

Does your child's closet have a few empty hangers? Maybe the items that are supposed to be on them are in our lost and found. Check it out; it is bursting at the seams!

Please encourage your kiddo to take a moment to look through it to see if any of their jackets, hats hoodies, lunch boxes or anything else that they may misplace throughout the day is hanging out in there.

## Child Find for Special Education

Public Law 105.17, known as the Individuals with Disabilities Education Act (IDEA), requires that school districts provide a free and appropriate education to all disabled children and young adults from birth through 21 years of age. The Three Rivers School District requests assistance with the identification of any disabled children ages Birth through 21 who are not enrolled or currently being served in one of the District's schools.

If you know of any disabled children ages 0 through 21, who are not receiving education services, please call the Three Rivers School District Special Education Department at 541-862-3111 x 5202.
