

District's Mission Statement

It is the mission of the Flint School District to develop a community of learners who are prepared to live, work, and contribute in an ever-changing society.

Flint Board of Education – Standards of Practice

In order to provide outstanding leadership and better serve the Flint Community Schools, we, the members of the Flint Board of Education, commit to the following Standards of Practice:

1. We will be consistent in our dealings with each other, as well as students, staff and community.
2. We will model trustworthiness and honesty in our relationships with each other, with our Superintendent, and with our constituents.
3. We will focus on a common goal of providing the best education possible for the students in the Flint Community Schools.
4. We will respect the diverse views that each of us brings to the organization, as well as the view of others that we interact with as we carry out the business of the Board of Education.
5. We will be open and authentic with each other, our staff and community.
6. As we work to make decisions, we will focus on issues, not personalities.
7. Our decisions will be student-centered, and based on objective facts.
8. We will practice good listening skills to better understand our fellow Board of Education members and constituents.
