

**SUGGESTED AMENDMENTS are highlighted and bolded:**

1. p. 6, paragraph 2. The August 1<sup>st</sup> date is out of line with actual practices and conflicts with p. 13 Reauthorization of Board Operating Procedures, bullet 1 which cites “by the April regular Board meeting.” I suggest changing August 1 to “**by the April regular Board meeting.**”
2. p. 6, New Board Member Orientation, bullet 1  
suggested change: “...logistical information by their **second** board meeting.”  
Doesn’t match our practices because it is not possible by their first meeting because they are sworn in and immediately begin service at that meeting which is, technically, their first meeting. All training and orientation is scheduled following being sworn in.
3. ~~p. 6, New Board Member Orientation, bullet 2~~  
~~Does the current verbiage actually match our practices? I believe it is scheduled to begin by the second board meeting.~~
4. p. 7, New Board Member Orientation, training list  
Should we consider adding signing the confidentiality agreement related to personnel to the list of tasks accomplished during initial training?
5. p. 13, Annual Board Review and Establishment of Board Goals, bullet 1  
suggested change (please note the 2<sup>nd</sup> sentence has been moved from bullet 5 in this section: “...set Board goals for the coming school year **or agree to the Superintendent’s overarching qualitative goals as their own. ~~Eliminate—it is combined with and addressed in recommendation 4 above.~~

Suggested change: "...two Board members **must independently request a subject to be included on the agenda in writing** and the Superintendent..."

Eliminate as it is redundant to bullet 2 in this section.
14. p. 21, Board Member Preparation for Meetings, bullet 2.  
Suggested change: "...individual requests for additional materials or information relating to agenda items, **including items that may be requested to be removed from the consent agenda,** to the Superintendent."

20. P. 33, Planning, Establishment of District Vision and Goals, bullet 4 & 5  
Eliminate as this is addressed in Superintendent's review process in previous sections.

21. Approval of DIP/CIP/TIP – should this section be eliminated as it is addressed quite specifically in Legal? If leaving, could we simplify?

Possible simplifications include combining both bullets into 1 and reading something like:

**"The Board Meeting agenda for the September Regular Meeting will include an action item for the Board to vote to approve/disapprove the proposed district initiatives as included in the District Improvement Plan (DIP), Campus Improvement Plans (CIPs), or Targeted Improvement Plans (TIPs). The identified targets will promote the district's vision as established by the Board and in compliance with TEA requirements."**

22. p. 34, Board's Review of Instructional Programs and District Initiatives, bullet 1  
suggested addition: ...about instructional programs **as they pertain to student outcomes."**

23. Throughout, correct "Roberts Rules" with **"Robert's Rules"**.
