## Network Action Plan Summary

2025-2026

Key Actions	Indicators of Success
1. Grow staff capacity to provide the highest quality instruction	By May 2026, <b>85% of the scores on spot observations</b> conducted by an independent review team will be proficient or higher; and 85% of teachers will be <b>proficient or higher</b> in the delivery of high-quality education as measured by that section in the teacher evaluation rubric.
2. Implement the L.S.A.E. model with fidelity	All Third Future Schools will receive a proficient or higher score on the <b>L.S.A.E. learning rubric</b> assessed in December 2025 and May 2026. 85% of these L.S.A.E. Rubrics will be proficient in the area of <b>Teaching Ls/S1s</b> .
3. Successfully implement the 2024-2025 TFS staffing plan	In the climate survey conducted in December 2025 and May 2026, at least <b>80% of the teachers agree or strongly agree</b> that the staffing plan helps them provide better quality instruction. By May of 2026, at least <b>75% of Teacher Apprentices</b> that have been moved into teaching roles <b>will be ranked as proficient</b> in their summative evaluation.
4. Successfully implement the Third Future Schools Foundation	By May of 2026, <b>10 strategic partnerships</b> will have been identified, and <b>\$500,000 will be available</b> to support student travel and innovation through targeted fundraising, outreach, and networking opportunities.
5. Expand the implementation of the Dyad model	By June 2026, at least <b>70% of the students earn a proficient or higher</b> score on the end-of-year <b>Art of Thinking exam</b> , and at least 75% of parent survey respondents will agree or strongly agree that Third Future Schools <b>provides exceptional opportunities for students</b> to engage in non-instructional programming.
6. Strengthen the leadership density of Third Future Schools	90% of teacher leaders will receive a Proficient 1 or higher rating on the <b>teacher leader competency rubric</b> as assessed by network/school administration in the spring of 2026. On top of that, 20 teacher leaders will be identified as " <b>assistant principal ready</b> " as measured by the leadership portion of the system assessment rubric by May 2026.
7. Execute our Science of Reading Initiative	By June 2026, 95% of students in Kinder and 1st grade will be at DIBELS <b>Benchmark and/or at Above/Well Above Average growth</b> . In addition, students in grades 2nd through 4th will show a 20% point increase on Spring 2026 EOY DIBELS assessment when compared to Spring 2025 EOY DIBELS assessment.

## Vision and Mission

By the Year 2030, Third Future Schools will create 100 proof points of a new education system and **inspire transformation of the broader public education system** in order to **significantly narrow the achievement gap** and prepare students for a Year 2035 workplace and world.

## Core Values

1.  **All students can learn** and reach their potential.
2.  **Effective teachers make the most difference** in student academic performance.
3. For every child to succeed, we much hold students and ourselves to **high expectations**.
4.  We value **parent engagement** and community support.
5.  We rely on **clearly defined outcomes** to guide our work and to which we will hold ourselves accountable.
6. We are committed to **decreasing the inherent inequities** in the public education system.
