

### Migrant Students

The Superintendent will develop and implement a program to address the needs of migrant children in the District.

This program will include a means to:

1. Identify migrant students and assess their educational and related health and social needs.
2. Provide a full range of services to migrant students **through appropriate local, state and federal educational programs**, including applicable Title I programs, special education, gifted education, vocational education, language programs, counseling programs, and elective classes.
3. Provide migrant children with **full and appropriate opportunities** ~~the opportunity to~~ **meet the same challenging state academic standards statewide assessment standards that all children are expected to meet.**
4. Provide advocacy and outreach programs to migrant children and their families and professional development for District staff.
5. **Provide programs, activities, and procedures for the engagement of parents/guardians and family members of migrant students in an understandable format and language.**

~~Provide parents/guardians an opportunity for meaningful participation in the program.~~

### Migrant Education Program for Parents/Guardians and Family Member Engagement s Involvement

Parents/guardians **and family members** of migrant students will be involved in and regularly consulted about the development, implementation, operation, and evaluation of the migrant program.

Parents/guardians **and family members** of migrant students will receive instruction regarding their role in improving the academic achievement of their children.
