Re: Recommendation to hire the following:

- **Margaret Kane Student Counselor (Lakeview Junior High School)**

I highly recommend **Margaret Kane** for employment at Lakeview Junior High School as the next Student Counselor. She comes to Lakeview from Resurrection High School with 2 years of school counseling experience. She implemented a variety of programs that have supported students both academically and socially emotionally. Her recommendations raved about her student centered approach and tireless work ethic to support all of her students. She is grateful for this opportunity to grow both personally and professionally while stepping into a counseling role at Lakeview.

Thank you!

We are Spartan Strong!
