BACKGROUND INFORMATION

In the Fall of 2016 the Beaverton School Board contracted with Oregon School Boards Association to review and readopt all Beaverton School District policies and administrative regulations. The Policy Subcommittee meets monthly to discuss recommended changes to current policies. An OSBA policy specialist facilitates all policy meetings, highlighting any requirements of laws or rules, discussing possible options and answering questions as each policy is customized.

RECOMMENDATION

It is recommended that the School Board review these changes.

District Goal: WE Empower all students to achieve post-high school success.

The Beaverton School District recognizes the diversity and worth of all individuals and groups. It is the policy of the Beaverton School District that there will be no discrimination or harassment of individuals or groups based on race, color, religion, gender, sexual orientation, gender identity, gender expression, national origin, marital status, age, veterans' status, genetic information or disability in any educational programs, activities or employment.
