**Notable Highlights:**

Our hallways look great - thanks to our custodial and maintenance staff. We appreciate all of their hard work and dedication to BISD.

**Principal's General Narrative:** *I would like to commend our Science Teachers for diligently working to improve our student's science skills and knowledge of lab procedures. We have great instructional plans and strategies in place for the 2007-2008 school year. Our TEEG Team has also spent much time working to develop a collaboration plan that will enable our science teachers to enhance their science program.*

Respectfully,  
*Alma Gutierrez*
