Re: Plan for Vacant Parcels

As you know, at the Board of Education Study Session on Monday, January 26, 2015 Mr. Bill Bowman from Great Northern Consulting Group provided detailed preliminary information on five vacant properties in the district.

We would like to continue the discussion at the Monday February 2, 2015 Building and Site committee meeting to determine next steps for the District.

Please let me know if there are any questions. Thank you.
