Agenda Heading:

Act on Resolution of the Board of Trustees of the Frisco Independent School District Nominating Candidate(s) for the Collin Central Appraisal District Board of Directors

Item Type: Action Item

Background Information: The Texas Tax Code allows each participating taxing unit in a central appraisal district to nominate candidates to be voted on by all the participating taxing units to hold 5 seats on the board of directors of the central appraisal district. Once nominations have been received by the appraisal district, taxing units will have the opportunity to cast votes for the nominated candidates. This will be done by resolution of the Board at a later meeting. To be eligible for a seat on the board of directors of a central appraisal district, the candidate must reside in the appraisal district and have resided there continuously for 2 years preceding the date the individual would take office. An individual that is serving on the governing body of a city, county, or school district is eligible to serve as an appraisal district's director. However, an employee of a taxing unit is not eligible to serve.

Board members were asked to submit names for consideration. The District may nominate up to 5 candidates.
