

Nippersink District 2 Board of Education

The mission of Nippersink District 2 is to foster academic growth, instill integrity, confidence, and civic responsibility while preparing all students for an ever-changing global society.

Spring Grove Elementary School April 22, 2026

Curriculum

Spring Grove Elementary School will be hosting the High-Intensity Summer School program, taking place from June 2, 2026, to June 18, 2026. The program will run from 9:00 AM to 12:00 PM, Monday through Thursday. This year, we are recommending 75 students to participate, this is compared to the 83 students recommended last year. The program aims to provide students with intense instruction in both Math and English Language Arts (ELA) to bolster their academic skills and prepare them for the upcoming school year. We are committed to offering a supportive and engaging learning environment to help each student reach their full potential.

School Celebrations

We have officially submitted our application to the Village of Spring Grove for a new electronic sign in front of the school. We are excited to be partnering with Rainbow Signs on this project, which will enhance our ability to communicate important events and updates with the SGE community.
