Dear Mr. Bjurman,

I'm writing to let you know that I will be stepping down as advisor of the FIS Yearbook. With the demands of coaching in multiple seasons and the needs of my growing family, I've realized I won't be able to give the time and energy the yearbook deserves.

It's been a great experience being the yearbook advisor, and I'm happy to help with the transition as needed.

Thank you for the opportunity and support.

Sincerely,

--
