

Prekindergarten

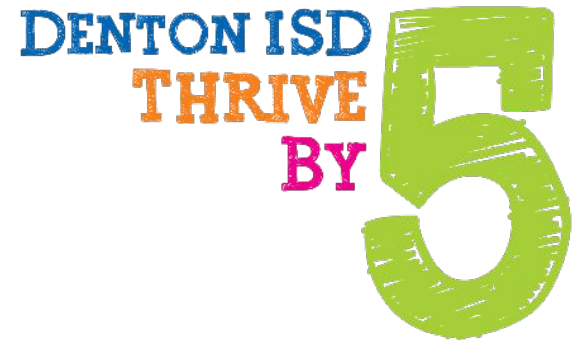

Denton ISD
May 2020

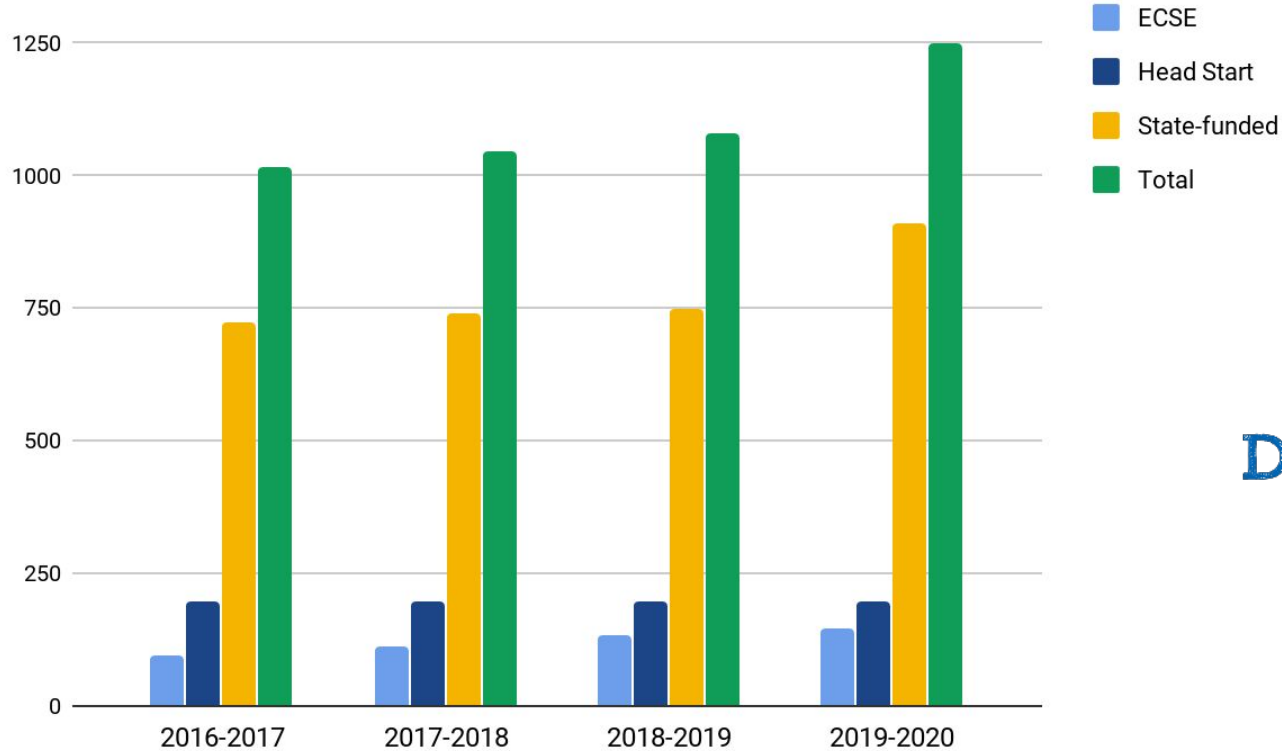

Program Information

- **Mission** - Love others, love learning, and Thrive by Five!
- **Vision** - We believe that all children can learn and thrive when provided with an engaging learning environment where they feel safe, valued, loved, and respected.
- **Programs offered by Denton ISD:**
 - State-funded prekindergarten
 - PreK Academy
 - Early Childhood Special Education (ECSE)
 - Head Start
 - Fred Moore Day Nursery School partnership

PreK = Kindergarten Readiness

"PreK [students] benefit cognitively, behaviorally and socially. Our play-based program allows children to be active in their learning while building a solid foundation for future learning."

"When they've been to PreK, they come in knowing how to learn... and ready/eager to learn more."

Students are "more prepared to follow the structure of school".

They have a better understanding of "letters/sounds, rhyming words, concepts about print, predicting and inferring, and the love of reading".

Pre-registration 2020-2021

- Due to COVID-19, the format for pre-registration changed.
- Number of students pre-registered:
 - 2019-2020: 350
 - 2020-2021: 450
- Pre-registered students will be assigned to a campus and then attend registration at that campus during the normal registration period in July.
- If there are any spots left available, we will open registration for 3 year olds on August 3, 2020.

2020-2021 Programming

- We will offer 78 prekindergarten classrooms spread across the district.
- Additional Sites and Programs
 - We will offer PreK Academy sections at Adkins Elementary, Blanton Elementary, Hawk Elementary and Providence Elementary.
 - We are adding one state-funded, monolingual section at Borman Elementary.
 - Nelson Elementary will house the prekindergarten program that was formerly at Treehouse Academy.
