\*FAMILIES OF PARTICIPATING STUDENTS ARE WELCOME TO ATTEND IN THE PAC  
AND SHOULD ENTER AT THE HIGH SCHOOL ENTRANCE FOR EVENTS

### Before and After School Program Update

Unity's school aged childcare program, Eagle Club, is gearing up for its start after the new year. The program will provide childcare for elementary students for before and after school hours. General information has been sent to families, with a waiting list created. There are already 16 children for before school and 24 children for after school on the waiting list.

Final information regarding registration, fees, payment, procedures, and expectations will be uploaded to the website soon. It is anticipated that the program will start in the second week in January.

Unity is very excited to be offering this program to its families. More employees for the program are needed. If you are interested in applying to work in this new and exciting program, please visit the District website at [www.unity.k12.wi.us](http://www.unity.k12.wi.us).

### Staffing Shortage Is Significant Issue for Schools

Unity School District, like other districts throughout the region, is feeling the effects of a staffing shortage in many categories. The lack of substitute employees is one issue that is affecting programs. Substitute teachers, educational assistants, food service, maintenance, custodial, and child care positions are open. The District is willing to train and help applicants obtain licensure for any substitute positions.

Kobussen Transportation is also seeking bus drivers. They are offering incentives for new employees and will provide training to help applicants obtain their CDL school bus license.

Interested individuals are encouraged to contact the school district office at (715) 825-3515 or Kobussen at (715) 330-4234.

## Unity School District

### Unity Community Education Is Busy Again!

Unity School District has a strong legacy for outstanding community education programming. Unity's community education programming was on hiatus last year during COVID, but is in full swing again this year.

- ★ Information regarding Unity's Community Education program can be found on the District website at <https://www.unity.k12.wi.us/page/community-education>.
- ★ Registration for winter swimming lessons is open now. Classes are scheduled for January.
- ★ The Unity Fitness Center is open to the community. Hallway walking is also available in the evenings, November to March.
- ★ To request the usage of the facility for a group or organization, please visit the Facility Scheduling System at <https://www.unity.k12.wi.us/page/facilities-calendar>.
- ★ Unity School District's Community Education Program is continually looking for instructors for classes. Unity Community Education offers a diverse catalog of classes to meet the needs and interests of the community. The program is looking for new, exciting, and interesting classes. If you are interested in teaching a class, please contact Amanda Warner at [awarner@unity.k12.wi.us](mailto:awarner@unity.k12.wi.us) or (715) 825-2101 x5010.

### COVID Testing Clinic is Important Part of Plan

Unity School District's **free, voluntary COVID-19 Testing Program for students and staff** has been an important component of Unity's Return to School Plan. The program is being offered free in collaboration with funding from the WI DHS. Regular voluntary testing helps protect our students, staff, family members, and others who are not vaccinated against COVID-19 or are otherwise at risk for getting seriously sick from COVID-19.

Through this program, COVID-19 cases are identified quickly and early, which can help us stop an outbreak before it happens. This helps to keep students in the classroom and able to take part in the school activities they love.

Already this school year, over 800 COVID tests have been administered at the Unity COVID testing site. The clinic is located next to the high school office. Results are available in as little as twenty (20) minutes.

To learn more or register your child for a test, please call x3010 or email [rschmid@unity.k12.wi.us](mailto:rschmid@unity.k12.wi.us). Your completed consent form can also be emailed to [rschmid@unity.k12.wi.us](mailto:rschmid@unity.k12.wi.us).

*\*It is important to note that your child will not be tested for COVID-19 without your permission.*

## Unity School District

### Unity Wall of Honor Nominations Sought

Years ago, the Unity Board of Education established a "Wall of Honor" to recognize and honor the accomplishments of Unity alumni and employees. Criteria for selection to the "Wall of Honor" will be based on contributions in the areas of education, business, human services, government, athletic, military, fine arts, and community involvement. Alumni selection is based on post-high school accomplishments. The nominee will be screened by a selection committee, which will meet in early March. Deadline for applications each year is March 1st.

If you know of someone who is worthy of being considered for the "Wall of Honor," nomination forms are available at Unity's District and School offices. Additionally, application forms are available on the District website at [www.unity.k12.wi.us](http://www.unity.k12.wi.us). If you have any questions, call or write to Unity Wall of Honor, Unity School District, 1908 150th St./Hwy 46N, Balsam Lake, WI 54810; (715) 825-3515.

### Unity School District Belief Statements

Unity Belief Statements represent our strong convictions, our common core values, and our moral character.

#### We Believe:

- The student, family, school, and community as partners, share the responsibility for a successful educational experience.
- An awareness of and a tolerance for diversity enriches life.
- Learning thrives in a safe, caring, disciplined environment.
- Learning is lifelong.
- Character development (respect, trustworthiness, responsibility, fairness, caring, citizenship) is an essential component of effective education.
- All individuals learn in different ways, at different rates, and at different times.
- Education includes social, emotional, intellectual, physical, and aesthetic growth.
- Problem solving, critical thinking, effective communication, and working cooperatively are fundamental life skills.
- In challenging individuals to develop to their fullest potential.
- Education provides students with a solid academic foundation.

## Unity School District Goals

*(Approved by the Unity Board of Education, March, 2021)*

- Nurture and promote a positive and inclusive culture of respect, leadership, and character for all.
- Encourage career readiness through school and community partnerships.
- Promote and provide flexible accelerated, personalized learning opportunities for students.
- Encourage healthy students, staff, and community while continuing to address mental health needs through various programs and partnerships.
