LOCAL GRADUATION
HONORS

For the purpose of determining honors to be conferred during graduation activities, the District shall calculate class rank using grades available at the time of calculation at the end of the third nine-week grading period of the senior year. The grade for the third nine-week grading period shall be used as the semester grade for this purpose.

For the purpose of applications to institutions of higher education, the District shall also calculate class ranking as required by state law. The District's eligibility criteria for local graduation honors shall apply only for local recognitions and shall not restrict class ranking for the purpose of automatic admission under state law. [See EIC(LEGAL)]

VALEDICTORIAN AND
SALUTATORIAN

The valedictorian and salutarian shall be the eligible students with the highest and second highest ranking, respectively. To be eligible for such recognition, a student must:

1. Have been continuously enrolled in the same high school in the District for the two academic school years immediately preceding graduation;
2. Have completed the Recommended Program or the Advanced/Distinguished Achievement Program for graduation; and
3. Be graduating after exactly four years of enrollment in high school.

BREAKING TIES

In case of a tie in weighted numerical grade averages, the District shall compute the weighted numerical grade average to a sufficient number of decimal places until the tie is broken to determine recognition as valedictorian or salutarian.

If the tie is still not broken, the District shall recognize all students involved in the tie as sharing the honor and title.

HONOR GRADUATES

The District shall recognize with white cords each student in the top five percent of the graduating class, including the valedictorian and the salutarian.

The District shall recognize with gold cords each student who has completed the Recommended Program or the Advanced/Distinguished Achievement Program with a cumulative weighted numerical grade average no lower than 90.
