Re: Cones Repair Service, Inc. Approval

Cone Repair Service, Inc., located at 2408 40th Avenue, Moline, IL, provides repair and installation services for the District's kitchen equipment, including refrigerators, freezers, ovens, steam tables, and other essential appliances. The District has utilized this vendor since 2021.

Cone Repair Service has consistently delivered reliable and efficient service. Due to the specialized nature of the work and the vendor's close proximity, obtaining competitive bids has proven to be a challenge. Given the District's significant investment in kitchen and nutrition facilities, it is critical to ensure proper maintenance and prompt repairs.

The continued partnership with Cone Repair Service is essential to maintaining the functionality and extending the life of our kitchen equipment. We recommend ongoing approval for their services to support the operational needs of our food service program.

Investment Period: July 1, 2025 – June 30, 2026
Total Investment: Not to Exceed \$40,000
Funding Source: Nutrition Department Funds
