

Board Meeting Date: March 4, 2024

Title: Population & Labor Force Trends in the Metro Area

Type: Discussion

Presenter(s): Timothy O'Neill, Twin Cities Labor Market Analyst

Description: Low unemployment rates and the decline in people participating in the labor force has led to an all-time high number of job vacancies throughout Minnesota. This phenomenon has impacted Edina Public Schools, particularly in the area of special education teachers and paraprofessionals.

Recommendation: No recommendation

Desired Outcome(s) from the Board: Review presenter's slide deck in preparation for receiving full presentation at the work session.
