Third--63  
Fourth--54  
Fifth—44

Total: 401

Ozona Elementary School held its 26th annual Jump Rope for Heart event on October 26, 2010. Over 100 students participated. Elijio Martinez provided the music and several parents brought snacks and bottled water. Our students raised over \$8,100.00 this year.

The Appreciate Meal for our custodial and maintenance staff was well received. A special thank you goes out to Tony Villarreal and Red Perez for volunteering their time to assist in preparing the meal for us.

Grade-level Team Meetings continue to meet every other Wednesday. Vertical Teams have begun to meet once a month. As part of our campus' professional development program, our teachers are participating in a book study and learning to utilize data to assist in instructional decisions.

Report Cards went out on November 10<sup>th</sup>.

The latest round of Parent Preview Nights for the upcoming six weeks has concluded. A highlight of this meeting was Mrs. Esparza taking the parents to one of our computer labs. There she demonstrated how to sign up for electronic notices of events at our school. She also talked about the dangers of social networks, internet, and inappropriate texting. Parents also had the opportunity to sign up for the Parent Portal of our electronic grade book and the Nutrikids programs.
