RE: Makes Johnstone Playground Project Update

We have received one quote for improvements to the Makes Johnstone playground and anticipate receiving a second one within the next week. Both quotes are coming through companies that have approved contracts through the Sourcewell purchasing cooperative. The first quote to come in ranged from approximately \$150,000 to \$215,00, although it was incomplete. We are anticipating the second quote to be more thorough. We expect to be able to present a proposal and quote at the March board meeting.
