Principal's Message

Thank you! This has been a wonderful year at Evergreen and it has everything to do with the wonderful people that make up our school community. Now that I have arrived at the end of my third year here at Evergreen, I am more certain than ever that I am exactly where I need, and want, to be. I look forward to many more years as we work together to make Evergreen the best school possible!

**YOU
ROCK**

I hope that everyone has a wonderful and relaxing summer 2009! Remember to read with your children over the break, make sure that learning is taking place year around. Next year at Evergreen will be more exciting, enriching and enjoyable than ever; even in light of recent economic woes and trials. Our positive behavior supports (PBS) program has been strong this year and continues to improve along with the school climate at Evergreen. Prior to the beginning of next school year everyone will have to enroll or re-enroll your child (see information page in this newsletter). This is a very important process for Evergreen and Three Rivers School District. You will be receiving your child's placement for next year upon completion of the enrollment process in August.
