State of Alaska “READS Act”

- This is a comprehensive reading program to be rolled out during the 2023 – 2024 school year for grades K-3. It is incumbent on my staff to be prepared / trained during the 2022 – 2023 school year. Staff half-days on Friday will be a combination of “READS Act” training, teacher classroom time and district in-service as we move through the year for those teachers in K-3. We met as a group and it was decided that until we get further direction from the State of Alaska, we will focus on expanding our K – 2 group to include the entire K – 5 staff. We are excited about the prospects of continued meetings, putting our students in a good position when the actual program comes “online” during the 2023 – 2024 CCSD calendar.
