PROCESS FOR RECOMMENDATION ADJUSTMENTS

If a Curriculum Management Audit Recommendation is contested by a district administrator or a member of the Board, a process has been developed to ensure appropriate discussion and consensus occur in order to make a final decision. The specific recommendation under consideration may be modified or rejected if the following procedure is utilized.

Administrators:

1. The administrator responsible for the recommendation shall discuss it with the appropriate department.
2. The recommendation is placed on the Superintendent's Cabinet agenda for discussion.
3. The contested recommendation is then discussed as an agenda item for an appropriate board committee.
4. Once the board committee reviews and discusses the recommendation, the entire board is notified about the recommendation.
5. The administrator resubmits the recommendation to the Superintendent's Cabinet for a final decision.
6. The administrator responsible for initiating the request will notify the department.
7. The "Recommendations and Timelines for the Curriculum Management Audit" document will be revised to reflect the decision.

Board Members:

1. During a work session, a member of the board will discuss the contested recommendation with other members of the board.
2. The recommendation will then be discussed by the Superintendent's Cabinet.
3. The contested recommendation will be sent to an appropriate board committee for review and discussion.
4. The recommendation from the board committee will be reviewed by the Superintendent's Cabinet.
5. The recommendation will be discussed by members of the board, and a final decision will be made.
6. The "Recommendations and Timelines for the Curriculum Management Audit" document will be revised to reflect the decision.
