

# Franklin Elementary

103 Country Club Road Hillsboro, TX 76645

## May 2017 Board Report

### Curriculum and Campus Updates

Pre-K will end the 2016-2017 school year with a bang! Franklin Elementary students will study three different units during May: shadows, reflections and oceans. Our little eagles will have a deep understanding of why we see shadows and reflections and what things call the ocean home. Our students will practice rhyming words as well as focus on letter sounds Xx and Zz. We are kindergarten ready!

### Professional Development

We believe in continuous improvement at Franklin Elementary. The Texas PTA will provide True Colors professional development this month to help us understand ourselves better and build healthier relationships. Cindy Darden will assist us with our technology integration goal by sharing the SAMR lesson plan format with our staff. During our PLCs, we will discuss scoring observable assessments focusing on literacy writing and social emotional development.
