

Superintendent Board Report November 2025

I am extremely excited to share that the official IL Report Card Data was released October 30, 2025. All three of our schools have earned **Commendable!** This is our second consecutive year that all three schools have earned a commendable rating, even with the new cutoff scores ISBE implemented. We will share this great news with our community and are very proud of our students and staff.

The BV Veterans Day Assembly was held on November 7, 2025. The Veterans' breakfast began at 8:30, and the program began at 9:00 am. There was an awesome turn out from the community and the students and staff put on a very successful program honoring our veterans.

The Monster Mash was held at BV to celebrate them earning their first-quarter reward. Mike Treece always does a great job being the DJ for the children. The students earned the reward by earning 'Shout-outs' first quarter for meeting expectations inside and out of the classroom.

The High School Student Council held its Annual Blood Drive. This program helps provide life saving blood for people in our community.

Our community turned out in droves to support our football team for both home games and away games. It was exciting to see how the entire town rallied around our athletes to encourage them in the playoffs. I am very proud of our players and coaches.
