## Desegregation Analysis

Haas Hall Academy is requesting an amendment to relocate our Rogers campus within the boundaries of the Rogers School District. As an open-enrollment public charter school unconfined by district boundaries, Haas Hall Academy expects to obtain the majority of its students from within the boundaries of the Springdale, Fayetteville, Bentonville, and Rogers School Districts. Besides the Springdale, Fayetteville, Bentonville, and Rogers School District, the Rogers School District is also contiguous or in close proximity to the Siloam Springs, Gentry, Greenland, Huntsville and Pea Ridge School Districts. Haas Hall Academy may also receive some students from these districts as well.

In carefully reviewing the potential impact that Haas Hall Academy would have upon the efforts of the surrounding school districts to comply with court orders and statutory obligations to create and maintain a unitary system of desegregated public schools, the applicant finds that neither the Rogers School District nor any of its contiguous or neighboring school districts are currently subject to, or have ever been subject to, any court orders or judicial decrees concerning the desegregation of its schools. As an open-enrollment public charter school, Haas Hall Academy must be race-neutral and non-discriminatory in its student selection and admission processes, and the granting of this amendment request to relocate our campus in Rogers will not serve to hamper, delay, or in any manner negatively affect the desegregation efforts of any public school district or districts within the state.
