

Purpose:

Approval to Award CVE Technologies Group E-rate Category II

Seeking approval to accept CVE Technologies proposal \$251,396.84 to purchase new networking equipment for the New Middle School project.

With your approval we will move forward submitting this contract to E-rate for final approval. This project will be funded by the Middle School bond and E-rate will reimburse 80% of the cost to the district when they approve the project.

Highlights:

- We had three bidders: CVE, CDW and GHA
- CVE had the best cost for compatible Equipment
- CDW came in lower but the equipment they recommended was not compatible with current network management infrastructure.
- OTAK helped review bids

Final Scoring	
RFP #:	2026-MOLALLA RIVER SD-C2
Awarded Bidder:	
Proposal:	CDW Government LLC
Average Score:	80
Scoring Category	Average Points
E-rate Eligible Costs	30
E-rate Ineligible Costs	20
Compatibility with Existing Infrastructure	0
Proposer Qualifications & RFP Compliance	20
References	10
