POLICY TITLE: District-Owned Vehicles

[DISCLAIMER: THE PORTION OF THIS POLICY REGARDING DISTRICT-OWNED VEHICLES PROVIDED TO EMPLOYEES IS FOR INFORMATIONAL PURPOSES ONLY. IF YOU HAVE QUESTIONS ABOUT TAXABLE FRINGE BENEFITS AND HOW THIS APPLIES TO YOUR DISTRICT EMPLOYEES, PLEASE CONTACT YOUR DISTRICT TAX ADVISOR OR LEGAL COUNSEL.]

The District owns and maintains certain vehicles. Included among them are pickups, school buses, and vans. These are for use by properly authorized personnel of the District for District business purposes.

Any driver who receives a citation for a driving violation while operating a District vehicle shall personally pay all fines levied. All citations received while the driver is a District employee, whether operating a District vehicle or not, must be reported and may result in disciplinary action up to and including termination.

District Vehicle Maintenance

Vehicles used in the District's transportation program shall be in safe and legal operating condition. All busses shall conform to standards of construction prescribed by the State Board of Education and inspections as required by law.

Drivers shall ensure the safe condition of the school bus by conducting daily pre-trip, post trip, and child check school bus inspections. The Superintendent or their designee shall establish specific checklists for these inspections. The District or their transportation contractor shall provide drivers with a pre-trip inspection form which may be based on the State Department of Education model pre-trip and post trip inspection forms. At minimum, the pre-trip inspection shall ensure that all safety equipment; such as brakes, tires, all lighting systems, steering, and the horn; are in working order. Post trip inspections shall include an emphasis on locating any sleeping students and any articles left on the bus, and reporting any bus defects.

All other District vehicles shall be maintained following established programs as developed by the Superintendent.

District-Owned Vehicles Provided to Employees

The District may own vehicles that some employees use for commuting to and from work and for other District-related travel. Any mileage driven in a District-owned vehicle that is not for official District business will be considered a taxable fringe benefit to the employee driving the vehicle. This taxable fringe benefit will be in addition to the employee's annual salary and will be reported on the individual employee's W-4.

Records of mileage and use other than official District business must be recorded in a diary or log.

Unauthorized personal use of a District vehicle or failure to report personal mileage and use may be subject to disciplinary action up to and including termination of employment. No employee, friend, associate, or family member of any employee may use a District-owned vehicle for personal use other than de minimis personal use by the employee.

This policy and taxable fringe benefit will be reviewed annually to verify that the policy is in compliance with IRS regulations.

Health and Safety Protocols of District-Owned Vehicles

All users of vehicles owned and maintained by the District shall adhere to the cleaning and disinfection protocols outlined by the District.
