

SCHOOL BOARD MEETING REPORT

Board Meeting Date: October Superintendent: Dave Valenzuela

Administrator/Staff: Tim Sam

Type of Item: Informational Action

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

I would like to attend the National Athletic Directors Conference in Denver Colorado December 9-15. It will include two or three 4-hour classes on leadership and safety, multiple one-hour workshops, 4 hours state leadership training for state leadership coordinators (me). All travel expenses to be paid by the Oregon Athletic Directors Association, no expense to TRSD.

Provide history/background information on your proposal:

I am the coordinator for the State of Oregon Athletic Directors leadership training. The national conference provides me training for this position, as well as for safety, best practices, and leadership for North Valley High School and Three Rivers School District. I am also a founding member of the National AD Mentoring Committee. We meet annually at this National Conference.

List the advantages of your proposal:

This conference provides the latest training, with national recognized experts in their particular fields, including sports law, Title IX, gender equity, transgender and disability law, sports safety, leadership, mentoring and training. All of these areas will assist in a higher quality program at North Valley High School and Three Rivers School District.

List possible disadvantages of your proposal:

The only disadvantage I can think of is my time out of the building. I have arranged our sports schedule so that there are no home, and one away after-school activities scheduled while I am gone.

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

This is the only conference of its kind nationally, held annually, cancelled last year due to Covid
