BOARD OF EDUCATION

2:240 Board Policy Development

The Board of Education governs using written policies. Written policies ensure legal compliance, establish Board processes, articulate District ends, delegate authority, and define operating limits. Board policies also provide the basis for monitoring progress toward District ends. [PRESSPlus1](#)

Policy Development

Anyone may propose new policies, changes to existing policies, or elimination of existing policies. Staff suggestions should be processed through the Superintendent. Suggestions from all others should be made to the Board President or the Superintendent.

A Board Policy Committee will consider all policy suggestions, and provide information and recommendations to the Board.

The Superintendent is responsible for: (1) providing relevant policy information and data to the Board, (2) notifying those who will implement or be affected by or required to implement a proposed policy and obtaining their advice and suggestions, and (3) having policy recommendations drafted into written form for Board deliberation. The Superintendent shall seek the counsel of the Board attorney when appropriate.

Policy Adoption and Dissemination

Policies or policy revisions will not be adopted at the Board meeting at which they are first introduced, except when: (1) appropriate for a consent agenda because no Board discussion is required, or (2) necessary or prudent in order to meet emergency or special conditions or to be legally compliant. Further Board consideration may be given at a subsequent meeting(s) and after opportunity for community input. The adoption of a policy will serve to supersede all previously adopted policies on the same topic.

The Board of Education policies are available for public inspection in the District's main office during regular office hours. Copy requests should be made pursuant to Board policy 2:250, *Access to District Public Records*.

Board Policy Review and Monitoring

The Board of Education will periodically review its policies for relevancy, monitor its policies for effectiveness, and consider whether any modifications are required. The Board may use an annual policy review and monitoring calendar.

Words Importing Gender

Throughout this policy manual, words importing the masculine and/or feminine gender include all gender neutral/inclusive pronouns.

Superintendent Implementation

The Board will support any reasonable interpretation of Board of Education policy made by the Superintendent. If reasonable minds differ, the Board will review the applicable policy and consider the need for further clarification.

In the absence of Board of Education policy, the Superintendent is authorized to take appropriate action.

Suspension of Policies

The Board, by a majority vote of members present at any meeting, may temporarily suspend a Board policy except those provisions that are controlled by law or contract. The failure to suspend with a specific motion does not invalidate the Board action.

PRESSPlus Comments

[PRESSPlus 1.](#) This policy is suggested to be reviewed by the Board. According to policy 2:240, *Board Policy Development*, "[t]he Board will periodically review its policies for relevancy, monitor its policies for effectiveness, and consider whether any modifications are required." IASB suggests that each policy in the Board's policy manual be reviewed at a minimum of every five years. As part of the review, the Board may choose to:

- Compare the adopted version to the current PRESS sample (available at PRESS Online by logging in at www.iasb.com), discussing any differences and/or options noted in the footnotes to determine whether local changes are necessary
- Update the policy language due to changes in local conditions
- Make no changes, but update the adoption date to reflect that the policy has been reviewed and re-adopted
