New Business: Site Council looked at what site council discussed last year for School Improvement Plan. Last year, Site Council looked at School Improvement Plan Success Indicator DSC1.3: The school's leadership plans for and implements professional development preparing teachers to support parents in the education of their children by providing in-classroom opportunities and at-home opportunities for parents. One thought of this would be to have a career night. Site Council will be looking at this for the upcoming year.

Site Council is discussing the how, what, when and where on after school programs for next year. The thought might be to be about to do 4-6 week long programs. Some ideas for after school programs are, cooking, baking, sewing, arts, crafts, leather working, open gym and robotics. Applegate still have the items needed for robotics. Jean hall has a neighbor who has been running a robotics team in Grants Pass. She will ask to see if he has the time or know someone who can help at Applegate School. Site Council also came up with several
