SUBJECT: Consider Approval of Policy JHCD - Medications

There have been several changes in Oregon law and administrative rules around administration of medication to students and for student self - administration in a school/district setting. This includes changes from House Bill 2002 and 2395 passed in the 2023 Legislature; from Senate Bill 1552 passed in the 2024 Legislature affecting statute in ORS 339.866 - 339.871; and rules on administration of medication in OAR 581-021-0037 which include new rules on short-acting opioid antagonist.

Administration recommends the adoption of the changes to this required policy governing administration of medications.
