- 2. Upward Bound:** Representatives from UW Stevens Point will be meeting with 8th grade students to discuss the Upward Bound program on January 12th. They will inform the students on how to apply to the program and the benefits of participating. Students who participate in Upward Bound have the opportunity to live on the UWSP campus during the summer while participating in skill building programs designed to help them become better High School students and prepare for college.
- 3. Winter Activity Day:** Students had the opportunity to participate in a variety of activities on the afternoon of December 22nd before departing for Christmas break. Activities included bowling, ice skating, ice fishing, an opportunity to watch Star Wars at the Theater, swimming, games, and a Christmas movie here at school. All activities were led by staff and it was a great opportunity for teachers to interact with kids outside of the day to day education environment. Thanks go out to Tammie Hall for organizing the day and to all of the teachers who made it a special day for the kids!
