Re: Cost Sharing Attorney Fees

In April 2007, the Board increased the authorized amount for cost sharing attorney fees with the City of Coppell from \$800,000 to \$1,200,000. This agenda item requests the Board's consideration to increase the authorized cost sharing maximum amount an additional \$600,000 totaling \$1,800,000.

RECOMMENDATION:

That the Coppell ISD Board of Trustees approve an increase in the amount of authorized attorney fees with the City of Coppell for the North Lake property litigation.
