RECOMMENDATION:

VISION 2023 STRATEGIES - **1. Career Planning:** Develop and implement education and career pathways so that each student graduates with a viable plan and relevant skill set for his or her future. **2. Equity:** Develop and implement a system-wide plan to provide all students with the resources they need to optimize their learning. **3. Instruction:** Design, develop and implement programs to promote rigor, relevance, collaboration, critical- thinking skills and learning environments designed to meet each student’s unique needs and aspirations. **4. Learning Environment/Facilities:** Align resources, facilities and technology strategically and equitably across the district to maximize security and enhance the learning environment. **5. Staffing:** Recruit and retain highly-qualified faculty, staff and administration. **6. Technology:** Provide appropriate technology that is consistently available, effectively supported and equitably distributed for group and individual instruction. **7. Wellness:** Develop and train empathetic and nurturing employees to be sensitive to and supportive of the needs of all children and families.

The administration recommends the Board of Education award the Low Voltage Integration Systems contracts to the most qualified contractors and thereafter to proceed with the execution of contracts with the most qualified contractors in a form approved by our legal counsel.

If the Board agrees, the motion would read: ***move to award the Low Voltage Integration Systems contracts to the most qualified contractors and thereafter to proceed with the execution of contracts with the most qualified contractors in a form approved by our legal counsel.***
