**ACTION**

**BACKGROUND INFORMATION** There are three waiver requests the school district would like to make to TEA this year. These waivers have been requested and approved in the past. One is the Modified Schedule/STAAR Testing Days Waiver. Another waiver is for six (6) early release days throughout the year. These early release days for students allow the staff members to focus on areas of weakness and to plan strategies and interventions. The third waiver is for attendance for the alternative education program, which will now be at AC Jones. This allows the program to use a time clock for students to count their attendance for ADA. A description of these waivers is attached. The board president must sign the original form and we must submit it to TEA. These are all extensions of waivers we have had in the past.

**RECOMMENDATION:** Approval of Application for Expedited Waivers (There is a form that the board president and superintendent must sign.)

**BOARD ACTION REQUIRED: Sample Motion** I move to approve the Application for Expedited Waivers.
