Parent Teacher Conferences

In November we held our first quarter parent teacher conferences of the school year. We had a great turnout of families coming to the school to visit with their child's teacher.

During the conferences, our librarian Shawnee Skunkcap held her annual book fair in the library. Families purchased books for themselves and their children to promote literacy. The Glacier County Library, Friends of the Library Committee and the Glacier County Library Memorial Foundation for their generous annual donation, buying books for every 3rd grade student,

Cat/Griz Assembly

Our students participated in the Cat/Griz assembly at BHS. Students and staff were excited to wear their team choice clothing gear and to participate in the district wide graduation matters assembly to promote attending college. Students had a great time watching the events and at times getting the opportunity to participate.

Instructional Coaches Report by Arlene

Wippert and Melissa Henderson

We are doing walkthroughs daily to support teachers in implementing clear instructional routines. This involves supporting teachers on knowing what the routine is and providing them feedback on the use of the routines in their instruction.

For WIN, which is our intervention block. We focus attention on teachers completing a lesson a day that includes six components. The components are phonological awareness, phonics & decodable words, sight words, guided spelling and reading a story for fluency practice. We give instant feedback to teachers with glows and a next step to grow to help the teacher to strengthen routines.

Aimsweb Progress Monitoring Data

Students who are in need of an intervention continue to receive their daily instructional lesson that is at their skill level to get them caught up to grade level. Teachers recently completed their latest progress monitoring to assess student learning to determine student growth as a result of the intervention working. Data shows that students are responding to the intervention and are making gains to move out of the lower levels of nonsense word fluency (NWF) and off grade level oral reading fluency (ORF) to be on grade level as our goal..
