Re: Stymelski Park Lease Extension – City of Livonia

We would like to discuss the City of Livonia Stymelski Park lease extension at the Finance Committee meeting on Monday, April 11, 2016.

As we discussed at the study session on April 4, 2016, this is an extension of the current lease that we have had with the City since June 1, 2000. The lease has been on a five year renewal and was most recently approved by the Board of Education for renewal in 2011. We are recommending that we renew the lease without any changes to the agreement other than an extension for five years (to expire June 30, 2021).

Attached please find the extension agreement proposed by the City of Livonia that will extend the lease without any other changes to the agreement.

Please include this item on the agenda. Thank you.
