To: River Trails Board of Education
From: Alicia Duell - Director of Innovation and Technology
Date: June 9, 2026
Subject: Electronic Equipment Recycling/Disposal

Introduction

A list of outdated Chromebooks and electronic fixed assets is included below. These items are outdated and/or broken and are no longer needed for school purposes. The electronic equipment will be picked up at no cost by a technology recycling company.

Recommendation

The administration recommends that the Board of Education declare the attached list of electronic fixed assets eligible for recycling/disposal.
