

# Environmental Education (Online) Committee

## 12/4/25 Agenda

Present:

Minutes - MaryKay

Reports:

### **Environmental Education (EE) Coordinator/Environmental Literacy Plan (ELP) - Becky -**

First section of our online PD will be completed by Jan 30. We will then start section 2, where learning coaches will review the virtual field trips. Brain worm- maybe have a virtual field trip event for Earth Day. Each teacher picks a virtual field trip to present, and then students can pick which one to go to. [Will T - Museum of Natural History virtual field trip. Maybe have a few live virtual field trips and some organizations, ex. nuclear power, power plants, etc](#)

Osprey Wilds Trip - 7 students (4 families) from K-5 have expressed interest in attending the spring trip.

**K-5** - Muller - November K-5 newsletter highlighted the offer for the K-5 students to join the Ospreywild field trip in April. Becky has had 6 or more families respond to the initial inquiry.

**Middle School** - Alyssa - Working with Claire's Nature Class to get ideas for content/activities for the middle schoolers. Also plan on going through parts of my Master's thesis with the students (to give them some background on Salt Watch.)

### **EE Connection (MESS-E) Project**

Intro Assignment - MaryKay - 234 submissions

Math - Cathy - 119 graded, 10 needed to be graded

English - Cathy - 77 graded

Science - Scott and Will - 183 in Field to Fridge

Social Studies and Stream - Rebecca -

SPED - Cristin and Angela -

# Environmental Education (Online) Committee
