Re: Review of LPS Property

I would like to review and discuss LPS properties with the Board at the next Committee of the Whole meeting on Monday, August 13, 2018. The District owns properties throughout the District's boundaries which remain unused for District programs, but the Maintenance Department continues to be responsible for maintaining this land. The Board has requested periodic review of this property as part of an ongoing facility and operations framework; therefore, I would like to discuss this with the Board and receive input and guidance from them.

Please include this item on the agenda. Thank you.
