 - f. Effectively deliver digital [learning through](#) ~~and blended learning and curriculum and engage students with technology~~ [and online formats](#); and
 - g. Provide teachers and other members of site-based [leadership](#) ~~management~~ teams with appropriate management and financial management skills.
5. The [District Staff Development Plan](#) ~~also must~~ [will also](#):
- a. Support stable and productive professional communities achieved through ongoing and schoolwide progress and growth in teaching practice;
 - b. Emphasize coaching, professional learning communities, classroom action research, and other job-embedded models;
 - c. Maintain a strong subject matter focus premised on students' learning goals consistent with ~~Minnesota Statutes section 120B.125~~ [state law](#);
 - d. Ensure specialized preparation [on culturally responsive practices](#) and learning about issues related to teaching multilingual learners and students with special needs by focusing on long-term systemic efforts to improve educational services and opportunities and raise student achievement; and
 - e. Reinforce national and state standards of effective teaching practice.
6. Staff development activities ~~must~~ [will](#):
- a. Focus on the school classroom and research-based strategies that improve student learning;

- b. Provide opportunities for teachers to practice and improve their instructional skills over time;
 - c. Provide opportunities for teachers to use student data as part of their daily work to increase student achievement;
 - d. Enhance teacher content knowledge and instructional skills, including to accommodate the delivery of digital and blended learning and curriculum and engage students with technology;
 - e. Align with state and local academic standards;
 - f. Provide opportunities to build professional relationships, foster collaboration among principals and staff who provide instruction, and provide opportunities for teacher-to-teacher mentoring;
 - g. Align with the plan, if any, of the district or site for an alternative teacher professional pay system;
 - h. Provide teachers of multilingual learners and content teachers with differentiated instructional strategies critical for ensuring students' long-term academic success, the means to effectively use assessment data on academic literacy, oral academic language, and English language development of multilingual learners, and skills to support native and English language development across the curriculum; and
 - i. Provide opportunities for staff to learn about current workforce trends, the connections between workforce trends and postsecondary education, and training options, including career and technical education options—and credentialing.
7. Staff development activities may include curriculum development and curriculum training programs and activities that provide teachers and other members of site-based teams training to enhance team performance.
8. The district may implement other staff development activities required by law and activities associated with professional teacher compensation models.
- C. The Advisory District Staff Development Committee will assist Site Professional Development Teams in developing a Site Plan consistent with the goals and outcomes of the District Staff Development Plan.

- D. The ~~Advisory District Staff Development~~ Committee will evaluate staff development efforts at the site level and will report to the ~~school~~ board on an annual basis the extent to which staff at the site have met the outcomes of the ~~District Staff Development~~ Plan.
 - E. In addition to developing a ~~District Staff Development~~ Plan, the ~~District Staff Development Advisory~~ Committee ~~also must~~ will also develop teacher mentoring programs for teachers new to the profession or district, including teaching residents, teachers of color, teachers who are American Indian, teachers in license shortage areas, teachers with special needs, or experienced teachers in need of peer coaching. Teacher mentoring programs ~~must~~ will be included in or aligned with the district's teacher evaluation and peer review processes under ~~state law. Minnesota Statutes, sections 122A.40, subdivision 8 or 122A.41, subdivision 5.~~ state law. Minnesota Statutes, sections [122A.40, subdivision 8](#) or [122A.41, subdivision 5](#).
 - F. The ~~Advisory District Staff Development~~ Committee will assist the district in preparing any reports required by the ~~MN~~ Minnesota Department of Education relating to staff development or teacher mentoring including, but not limited to, the reports referenced in Section ~~VII~~ IX. below.
- V. Duties of the Site ~~Professional Development~~ Team
- A. Each Site ~~Professional Development~~ Team will develop a ~~s~~Site ~~p~~Plan, consistent with the goals of the ~~District Staff Development~~ Plan. District leadership will review the ~~s~~Site ~~p~~Plans for ~~alignment consistency with the District Staff Development Plan~~ alignment consistency with the ~~District Staff Development Plan~~ on an annual basis.
 - B. The Site ~~Professional Development~~ Team will demonstrate to district leadership the extent to which staff at the site have met the outcomes of the ~~Site Staff Development~~ Plan. The actual reports to the school board can be made by the ~~District Advisory Staff Development~~ Committee to avoid duplication of effort.
 - C. If district leadership determines that staff development outcomes are not being met, it may withhold a portion of the initial allocation of revenue referenced in Section VI. below.
- VI. Staff Development Funding
- A. Unless the school district is in statutory operating debt or a majority of the school board and a majority of its licensed teachers annually vote to waive the requirement to reserve basic revenue for staff development, the district will reserve an amount equal to at least two percent of its basic revenue for: (1) teacher development and evaluation under Minnesota Statutes, section 122A.40, subdivision 8 or 122A.41, subdivision 5; (2) principal development and evaluation under section 123B.147, subdivision. 3; (3)

professional development under section 122A.60; (4) in-service education for programs under section 120B.22, subdivision 2; and (5) teacher mentorship under section 122A.70, subdivision 1. To the extent extra funds remain, staff development revenue may be used for development plans, including plans for challenging instructional activities and experiences under section 122A.60, and for curriculum development and programs, other in-service education, teacher's workshops, teacher conferences, the cost of substitute teachers for staff development purposes, pre-service and in-service education for special education professionals and paraprofessionals, and other related costs for staff development efforts. The district also may use the revenue reserved for staff development for grants to the district's teachers to pay for coursework and training leading to certification as either a college in the schools teacher or a concurrent enrollment teacher. To receive a grant, the teacher must be enrolled in a program that includes coursework and training focused on teaching a core subject.

- B. The district may, in its discretion, expend an additional amount of unreserved revenue for staff development based on its needs.
- C. Release time provided for teachers to supervise students on field trips and school activities, or independent tasks not associated with enhancing the teacher's knowledge and instructional skills, such as preparing report cards, calculating grades, or organizing classroom materials, may not be counted as staff development time that is financed with staff development reserved revenue under Minnesota Statutes section 122A.61.
- D. The district may use staff development revenue, special grant programs established by the legislature, or another funding source to pay a stipend to a mentor who may be a current or former teacher who has taught at least three (3) years and is not on an improvement plan. Other initiatives using such funds, or funds available under Minnesota Statutes, sections [124D.861](#) and [124D.862](#), may include:
 - 1. additional stipends as incentives to mentors of color or who are American Indian;
 - 2. financial supports for professional learning community affinity groups across schools within and between districts for teachers from underrepresented racial and ethnic groups to come together throughout the school year;
 - 3. programs for induction aligned with the district or school mentorship program during the first three (3) years of teaching, especially for teachers from underrepresented racial and ethnic groups; or

4. grants supporting licensed and non-licensed educator participation in professional development, such as workshops and graduate courses, related to increasing student achievement for students of color and American Indian students in order to close opportunity and achievement gaps.

To the extent the district receives a grant for any of the above purposes, it will negotiate additional retention strategies or protection from unrequested leave of absences in the beginning years of employment for teachers of color and teachers who are American Indian. Retention strategies may include providing financial incentives for teachers of color and teachers who are American Indian to work in the school or district for at least five (5) years and placing American Indian educators at sites with other American Indian educators and educators of color at sites with other educators of color to reduce isolation and increase opportunity for collegial support.

VII. Procedure for Use of Staff Development Funds

- A. On an annual basis, the ~~Advisory~~ District Staff Development Committee, with the assistance of the Site ~~Professional Development~~ Teams, will prepare a projected budget setting forth proposals for allocating staff development and mentoring funds reserved for each school site. Such budgets will include, but not be limited to, projections as to the cost of building site training programs, costs of individual staff seminars, and cost of substitutes.
- B. Upon approval of the budget by the school board, the District Committee will be responsible for monitoring the use of such funds in accordance with the District Plan, ~~Site Staff Development Plans~~, and budgets. The requested use of staff development funds will meet or make progress toward the goals and objectives of the District Plan and Site Staff Development Plans. All costs/expenditures will be reviewed by district leadership for alignment consistency with the Staff Development Plan on an annual basis.
- C. Individual requests from staff for leave to attend staff development activities will be submitted and reviewed according to district policy, staff procedures, contractual agreement, and the effect on district operations. Failure to timely submit such requests may be cause for denial of the request.

VIII. Paraprofessionals, Title I Aides, and Other Instructional Support Staff

- A. The school district will provide a minimum of eight hours of paid orientation or professional development annually to all paraprofessionals.

Six of the eight hours will be completed before the first instructional day of the school year or within 30 days of hire.

- B. The orientation or professional development will be relevant to the employee's occupation and may include collaboration time with classroom teachers and planning for the school year.
- C. For paraprofessionals who provide direct support to students, at least 50 percent of the professional development or orientation will be dedicated to meeting the requirements of this section. Professional development for paraprofessionals may also address other requirements of state law.
- D. A school administrator will provide an annual certification of compliance with this requirement to the Minnesota Department of Education Commissioner.

VIII. Reporting

- A. The school district and ~~site staff development~~ District Committee will prepare a report of the previous fiscal year's staff development activities and expenditures as part of the district's World's Best Workforce report.
 - 1. The report ~~must~~ will include assessment and evaluation data indicating progress toward district and site staff development goals based on teaching and learning outcomes, including the percentage of teachers and other staff involved in instruction who participate in effective staff development activities.
 - 2. The report will provide a breakdown of expenditures for:
 - a. Curriculum development and curriculum training programs;
 - b. Staff development training models, workshops, and conferences; and
 - c. The cost of releasing teachers or providing substitute teachers for staff development purposes.

The report ~~also must~~ will also indicate whether the expenditures were incurred at the district level or the school site level and whether the school site expenditures were made possible by the grants to school sites that demonstrate exemplary use of allocated staff development revenue. These expenditures ~~must~~ will be reported using the uniform financial and accounting and reporting standards (UFARS).

- 3. The report will be signed by the superintendent and staff

development chair.

- B. To the extent the district receives a grant for mentorship activities described in Section VI.D., by June 30 of each year after receiving a grant, the ~~Site staff development~~ District Committee ~~must~~ will submit a report to the Professional Educator Licensing and Standards Board on program efforts that describes mentoring and induction activities and assesses the impact of these programs on teacher effectiveness and retention.
