

SCHOOL BOARD MEETING REPORT

Board Meeting Date: 20-Sep-10

Agenda #

Staff/Administrator: Barb Edwards/P. Maluk

Superintendent: Dan Huber-Kantola

Type of Item: Informational Action

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

I would like to attend the ADEPT training in Red Bluff, California, on October 15, 2010. This is a half-day training, from 8:30-noon.

Provide history/background information on your proposal.

Jane Rubio attended this training last year and shared how helpful this would be for our ESL program. I contacted Charlie Bauer from SOESD, and learned that this training is available in October

List the advantages of your proposal:

This assessment can be helpful in pin-pointing specific language functions where students need work. It is aligned with the Systematic English Language Development training that we have had, and that corresponds with the State of Oregon's list of language forms and functions which should be taught to our English Language Learners. Title III funds will pay for this with no cost to TRSD

List possible disadvantages of your proposal:

I will need to be out of the classroom for the day.

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

I could have Jane tell me about the test, and use the materials she received at the training she attended. However, I think it would be advantageous for me to go through the training and have my own set of testing materials
