5500 - **STUDENT CODE OF CLASSROOM CONDUCT**

Respect for law and for those persons in authority shall be expected of all students. This includes conformity to school rules as well as general provisions of law regarding minors. Respect for the rights of others, consideration of their privileges, and cooperative citizenship shall also be expected of all members of the school community.

Respect for real and personal property; pride in one's work; achievement within the range of one's ability; and exemplary personal standards of courtesy, decency, and honesty should be maintained in the schools of this District.

The District Administrator shall establish procedures to carry out Board policy and philosophy, and shall hold all school personnel, students, and parents responsible for the conduct of students in schools, on school vehicles, and at school-related events.

Student conduct on or adjacent to school premises, on school vehicles, and at school-related events and activities shall be governed by the rules and provisions of the Student Code of Classroom Conduct. In addition, student conduct on internet-based social media outlets, when such conduct disrupts the learning environment of the school or staff, is governed by the Code of Conduct. This Code of Classroom Conduct shall include, but not limited to, the following items:

- A. specification of what constitutes dangerous, disruptive, or unruly behavior that interferes with the ability of the teacher to teach effectively, which therefore permits the teacher to temporarily remove the student from class;
- B. other student conduct that may be used by a teacher as a basis to remove a student from class; and
- C. procedures for notifying the parent of a student's removal and procedures for placement of a student that has been removed from class;

The Board of Education believes that a staff member should be able to work in an environment free of threatening speech or actions.

Threatening behavior consisting of any words or deeds that intimidate a staff member or cause anxiety concerning his/her physical and/or psychological well-being is strictly forbidden. Any student, parent, visitor, staff member, or agent of this Board who is found to have threatened a member of the staff will be subject to discipline and reported to the appropriate law enforcement authorities.

The District Administrator shall implement guidelines whereby students and employees understand this policy and appropriate procedures are established for prompt and effective action on any reported incidents.
